~~PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION~~

1 AN ACT ^(generate); relating to: sale or lease of certain state-owned real property that was
2 acquired, constructed, and improved with gift, grant, or federal funds.

Analysis by the Legislative Reference Bureau

Currently, with certain exceptions, the Department of Administration (DOA), with the approval of the Building Commission, may sell or lease state-owned real property if DOA determines that the sale or lease is in the best interest of the state. The Building Commission may also sell or lease state-owned real property, subject to the same exceptions. Any sale may be either on the basis of public bids, with DOA or the commission reserving the right to reject any bid in the best interest of the state, or on the basis of negotiated prices as determined through a competitive or transparent process. This authority does not apply to any property for which the cost of acquisition, construction, and improvement was financed at least 50 percent with federal funds or at least 50 percent with gift or grant funds.

This bill provides that this authority does not apply to any property for which the cost of acquisition, construction, and improvement was financed at least 25 percent with federal funds or at least 25 percent with gift or grant funds.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 SECTION 1. 16.848 (2) (am) of the statutes, as created by 2013 Wisconsin Act
4 20, is amended to read:

SECTION 2. Initial applicability.

(1) This act first applies with respect to transactions entered into on the effective date of this subsection.
